

E-Cell

E-Cell SSTC is a student-run non-profit organization to promote the spirit of entrepreneurship among students and establish a start up culture in the campus.

It was founded in the year 2017 with a motto to help the students, in making their ideas a reality. We at E-Cell host various workshops, speaker sessions, innovative games, competitions for aspiring entrepreneurs and support them by providing necessary resources.

Here we present to you the second edition of the Annual magazine of the E-Cell SSTC, that gives a sneak peak to year around activities and achievements of E-Cell. Through this edition we also aim to give you a comprehensive view of entrepreneurship in recent times.

Dr. P.B. DESHMUKH

Director
Shri Shankaracharya Group of Institutions

It is very heartening to know that Entrepreneurship Cell at Shri Shankaracharya Technical Campus (Shri Shankaracharya Group of Institutions) is coming out with its annual newsletter chronicling details of activities and achievements of the Cell during the preceding session and plans for the current session.

The E Cell has been playing a proactive role in encouraging students at the Institute to take up entrepreneurship by organising various activities like motivation lectures, sharing success stories, entrepreneurs meet, industrial visits, etc. This publication is yet another effort in that direction and a very laudable one.

I wish the E Cell and its entire team! all the best and every success in all their endeavours.
